**Policy Statement**

It is the responsibility of the student to know and abide by all community standards, policies of Prescott College and the Office of Residence Life & Housing. Each Resident is provided a copy of the Resident Housing Handbook upon move-in. This handbook contains policies and community standards by which residents are expected to abide. Residents are responsible, to the best of their ability, for the safety and wellbeing of their community. A student that witnesses an injustice or a situation where community standards are not met must report such behavior. Any resident who does not report such behavior encourages the tolerance of injustice and disrespect and therefore assumes partial responsibility for these actions. A community member whose actions or inactions are found to be the direct cause of injury to persons or damage to Prescott College property or student personal property will be held financially and otherwise responsible.
