

2025-2026 Endowed and Donor-Restricted Scholarships

Through the generosity of our donors, Prescott College is pleased to offer several scholarships to assist students with their cost of attendance. Scholarship selection criteria will be based on a combination of academic performance, financial need, and/or intended program of study as designated by each donor. Financial need will be determined based on Free Application for Federal Student Aid (FAFSA) information. We encourage all students to complete the 2025-2026 FAFSA online at studentaid.gov.

To be considered for any of these scholarships, submit the [Endowed and Donor-Restricted Funds Application](#) and supplemental materials via the [on-line application form](#) or via e-mail to the Prescott College Financial Aid Office using one of the contact methods below (email, drop off hard copy, or send via post mail) on or **before Tuesday, March 25th, 2025 at 11:59 PM**. No exceptions. Due to the large volume of scholarship applications received, we will send notification letters only to those students who are selected as scholarship recipients. Scholarships will be applied to the student's 2025 Fall and/or 2026 Spring term(s).

***Please note: Being awarded one of the endowed scholarships does not guarantee you will be awarded the amount listed. Many scholarships will be awarded to more than one person and the available funds will be divided among the recipients.**

<i>Scholarship</i>	<i>Available Funds*</i>	<i>Selection Criteria</i>
Julie Bondeson Endowed Scholarship	\$19,000 (max \$5,000 per person)	Established by Julie Bondeson, to be awarded to any student in good academic standing who demonstrates financial need and is actively pursuing studies in either a sustainable living and/or an environmental program.
