Important Notes re: Cost of Attendance:

- 1) **Tuition is subject to change** with board approval. Modest increases are typical from year to year.
- 2) Student course fees vary per course (See Schedule of Classes for details.) Course fees will be added to cost of attendance after student registration upon student written request to finaid@prescott.edu. Course fees are typical for field courses and art courses. Certain courses that require extensive travel or extra accomodations costs are assigned an additional course fee. Food costs for field courses are usually shared with fellow students. Personal camping and backpacking equipment is required for most field courses. Certain adventure education courses require special personal equipment (e.g., cross-country ski boots and skis or a mountain bike.)
- Loan fees may be adjusted to student's actual loan fees upon written request to finaid@prescott.edu.
- 4) A one time per program **computer allowance** up to \$2500 may be added on to a student's cost of attendance upon submission of an actual cost estimate via a student Cost of Attendance petition.
- 5) Students may appeal to add-on additional education-related expenses. Examples include childcare expenses, disability-related expenses, first-time professional license fees, exam fees, and additional transportation expenses for field courses. To do so, please: Click here to submit a Cost of Attendance petition.
