

## Giving by Payroll Deduction

Prescott College promotes a commitment to social and community engagement, including individual commitment of financial and other resources to a broad array of organizations engaged in such activities. At the same time, the College desires to maintain a work environment free from active marketing and solicitation from external organizations, but encourages you to donate your resources to the causes that are important to you. In addition, please consider our giving program to directly support the Mission of Prescott College. **We make a difference together.** The payroll deduction program is a “pain free philanthropy,” which directly effects your working environment.

*I understand that this payroll deduction will replace any previously authorized deduction for this fund and will be active until I provide further notice or direction to change the deduction.*

You have many ways to give to Prescott College's programs, projects and initiatives, but the payroll deduction is one of the easiest ways to support the college. If you have any questions on how to give, please contact the Advancement Office, 4503. Lloyd Hopkins, Executive Director, Advancement. Thank you -All completed forms can be returned to the Advancement Office or directly to Human Resources.

**THANK YOU!**
