ABOUT US:

We serve as a bridge between students, faculty, and staff to enhance engagement and retention. We offer academic, non-academic, and personalized advocacy to foster agency and empower students to achieve their educational and future goals.

We help students with disabilities and other abilities set up reasonable accommodations in accordance with the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973.

STUDENT SUPPORT:

- Academic Performance & Undergraduate Degree Planning
- Goal Setting
- Navigating College Resources
- Organizational Skills
- Personal Development
- Registration Assistance
- Time Management
